Community Consultative Committee

The Chain Valley Community Consultative Committee was formed in 2012 and held the zrst meeting on the 15/05/2012.

The Chain Valley and Mannering Community Consultative Committees combined in 2016. The committee comprises an independent chairperson, along with representatives from the surrounding communities, Central Coast and Lake Macquarie City Councils. The community representatives are a voice for the wider community that have direct contact with the company to ask questions and get answers.
