Community

Delta Coal is committed to supporting and making a difference in the local community.

Our neighbours include the people of Doyalson, Wyee Point, Wyee, Chain Valley Bay, Mannering Park, Gwandalan, Summerland Point and surrounds.

Delta's sponsorship and donation program helps support many local community groups, events and Schools within these areas.

Delta engages with the local community through the Colliery Community Consultative Committee (CCC). The CCC is made up of an independent chairperson who is paid by Delta Coal and representatives from local Progress Associations and Tidy Towns Groups. Delta holds quarterly meetings with the CCC to provide the members with regular updates on our operations and to gain understand of what the community views and concerns are.
